Headline:
Bright intervals and showers. Feeling much warmer.

Today:
Sunny intervals and a few showers, the showers mainly across the west at first but developing more widely by the afternoon. Feeling much warmer than of late. Shetland remaining cloudy and damp.

Tonight:
Most of the showers will die away through the evening but a few continuing overnight. Clear spells overnight with a few patches of low cloud and fog.

Monday:
A mixture of bright intervals and showers, some of these turning heavy. Longer spells of heavy rain developing across Shetland later.

Outlook for Tuesday to Thursday:
Further showers at times but also some drier and brighter weather too. Feeling pleasantly warm in any sunshine. Occasional haar near eastern coasts.
